Re: IN THE MATTER OF THE GENERIC PROCEEDING CONCERNING THE  
ARIZONA INDEPENDENT SCHEDULING ADMINISTRATOR  
DOCKET NO

Dear Ms. Wolfe:

On behalf of Duncan Valley Electric Cooperative, Inc., Graham County Electric Cooperative, Inc., Mohave Electric Cooperative, Inc., Navopache Electric Cooperative, Inc., Sulphur Springs Valley Electric Cooperative, Inc. and Trico Electric Cooperative, Inc., the Grand Canyon Electric Cooperative Association, Inc. (GCSECA) submits this letter in support of the testimony filed by Larry D. Huff on behalf of the Arizona Electric Power Cooperative ("AEPCO") on July 28, 2003 in the Arizona Independent Scheduling Administrator ("AISA") Hearing matter.

Mr. Huff's testimony is consistent with the comments filed on April 17, 2003 by GCSECA in response to a Commission Staff request for input on the Retail Electric Competition Rules as a part of the Electric Competition Advisory Group process. As part of these comments,

Ms. Teena Wolfe

GCSECA stated that the AISA has cost customers thousands of dollars since it has been created and provides no benefits, now, or in the foreseeable future, to customers.

In conclusion, GCSECA would request that the Commission adopt the recommendations set forth in Mr. Huff's testimony and order that the Affected Utilities, including AEPCO, have complied with their obligations under R14-2-1609 relating to the AISA.

Very truly yours,

**GRAND CANYON STATE ELECTRIC  
COOPERATIVE ASSOCIATION, INC.**
